## THROUGH INDIAN EYES: ANCIENT WISDOM FOR LEADERS OF TOMORROW

### Introduction

Have you felt that you are struggling on your way to success?

Would you like to create more clarity while increasing your capacity for wealth and success in all areas of life?

Do you want to experience more joy, peace and self expression; maximize your income and impact while solidifying your legacy?

If you answered “yes,” then trust me, you are in the right place

Our presenter today is an international speaker, happiness engineer and a senior business advisor to Fortune 500 companies. Possessing a remarkable living synthesis of ancient wisdom and western practicality, he combines the wisdom of the sage and wonderment of modern science to inspire audiences and leaders worldwide to their highest level of impact and personal fulfillment.

And now, buckle up for **‘Through Indian Eyes’** because **‘Engineering Happiness’** will take you on a joy ride! Please give a round of applause and join me in welcoming professional speaker, author and self proclaimed happiness engineer - Kaushal Aras

\*(pronounced K-AW-SHAHL Aras)
